Kia ora 9(2)(a) ,

Request for information under the Official Information Act 1982

Thank you for your email on 14 June, clarifying your Official Information Act request. This email is to follow up your request transferred to the SIA on 29 May 2019 for 'Any work and communications thereof being undertaken by the Minister, MSD or any other agencies under her direction regarding digital identity, citizenship and integrity of information'.

Your clarification was:

'Regarding terminology this is in relation to platforms that the Government has prepared to help New Zealanders, agencies or organisations access or control information online (I.e RealMe, agency client platforms etc.)

To help clarify the nature of the request it is specifically in relation to any work or communications regarding the Government's undertakings on Digital Identity as outlined in the below Cabinet Paper which mentions several Social Service agencies undertaking work in this space (SIA may not be one of course).'

In response to your request, we do not hold any information regarding this.

I see that your original email asked that the response be sent in hard copy to your office, and an emailed copy to 9(2)(a) . Given the nil response, would you still like us to follow these instructions?

Please note that this response (with your personal details removed) will be published on the SIA's website on 5 July 2019.

If you are not satisfied with this response, you have the right to seek an investigation and review by the Ombudsman. Information on how to make a complaint is available at www.ombudsman.parliament.nz or 0800 802 602.

Nga mihi,

Gabrielle Wilson
Ministerial Adviser
